

# FLYING START FOR TYRE-SMART

Tyre-Smart, the tyre specialists, have now been trading for over three months, achieving outstanding success at their new premises at 6 Moss Road in Witham. The team's attention to detail and large stock holding of over 1,000 tyres separates them from the competition.

Nitrogen is used to inflate all customers' tyres free of charge, but what are the advantages of nitrogen inflation rather than air? Nitrogen passes through a tyre up to 10 times slower than air so correctly set tyre pressures last longer. Nitrogen tyre inflation also leads to safer motoring as more of the tread is in contact with the road. It can also increase tyre life by up to 25 percent.

When wheels are refitted every wheel is hand-torqued to manufacturer settings. All wheels are then balanced perfectly using laser-guided machines with 'Haweka' clamps used to achieve zero vibration through the steering

**Professional & Knowledgeable the Tyre-Smart Team** can boast 100 years of combined experience in the tyre industry.

wheel. Combined with their state of the art wheel alignment centre, the Tyre-Smart team have been extremely busy aligning a whole variety of vehicles, from racing cars to family saloons.

## **DRIVE SAFE THIS WINTER, WITH TYRE-SMART**

Autumn is well and truly here, so now is the perfect time to make sure your vehicle's tyres are safe and ready for the testing winter months

ahead. To remain legal and safe, your tyres should have at least 3mm of tread and be inflated to the correct pressures. The fitting of winter tyres or all-season tyres is a good idea as they have higher silica content within the tread. This prevents the rubber hardening at lower temperatures which therefore gives your tyres better grip in cold and wet conditions. To make sure your vehicle is ready for winter, call into Tyre-Smart of Witham for your **free** tyre check, or to have a new set of winter tyres fitted.

Call **(01376) 511177** for your competitive Tyre Quote from Tyre-Smart, just seven miles from Maldon, 11 miles from Chelmsford, only nine miles from Braintree and 12 miles from Colchester.

**Tyre-Smart, Unit 6 Moss Road, Witham, Essex CM8 3UQ.**
