

THE RUBBER BROTHERS ARE BACK!

Many of you reading this article may remember Glen and Jamie Head. The brothers were previous owners of Supertyres of Maldon, Essex. After many years of hard work and dedication, the brothers decided to sell their very successful retail and trade tyre business in early 2008 to one of the UK's largest tyre wholesalers.

YOUR IN GOOD HANDS: Hi tech equipment and the most experienced staff.

Fast forward seven years and the brothers have now ventured back in to the tyre business; opening a new tyre depot in Witham, Essex.

Glen and Jamie Head are opening their new state-of-the-art tyre and wheel alignment centre, **Tyre-mart**, in Moss Road, Witham, an ideal location as it's only 2 minute drive off of **Junction 22** on the **A12**, in all directions!

Tyre-Smart, with the help of their former Senior Fitters can boast a combined 100 years of experience in the tyre industry. **Tyre-Smart** stock and fit tyres from 10" to 28" and only use the most modern hi-tech equipment, ensuring there is no damage to your expensive alloy wheels.

The new depot features state-of-the-art fitting equipment which can handle any size of high performance wheels. What's more, they've installed a high-tech Hunter 'Hawk Eye' wheel alignment system to achieve the most accurate

results when the fully-trained technicians perform wheel alignment. This ensures that your vehicle performs at its optimum when it comes to tyre wear, handling, performance and fuel consumption.

All the work at **Tyre-Smart** will be carried out by former Senior Fitters who have worked with Glen and Jamie for over 15 years. They share the same ethos as Glen and Jamie; to provide their customers with a friendly, professional and swift service, to get you back on the road safely.

To get a highly competitive quotation on your tyres why not call (01376) 511177, or alternatively log on to **Tyre-Smart.com**. Glen and Jamie look forward to welcoming both old and new customers to **Tyre-Smart** and with over 50 year's experience in the retail tyre trade you will definitely be in good hands.

When completed, the website **tyre-smart.com** will give their customers access to over

HARD TO MATCH: service, price and a professional swift service - meet the team.

500,000 tyres to select online, and they will be able to get an instant competitive quote. The team will be able to fit these tyres immediately if they're in stock, or ordered for the next day.

You'll find it extremely hard to match this new tyre supplier and fitting operation when it comes to service and price. With all this in mind why not call **(01376) 511177** for your competitive Tyre Quote from Tyre-Smart which is just

seven miles from Maldon, 11 miles from Chelmsford, only nine miles from Braintree and 12 miles from Colchester; at **Tyre-Smart, Unit 6, Moss Road, Witham, Essex CM8 3UQ**.

You'll find them open between 8.00am and 5.30pm from Monday to Friday and on Saturday from 8.00am and 3.00pm. With tyre prices so competitive it'll be well worth the drive!
